6th French-Austrian-German Workshop on Consumer Behavior

« Influencing consumers’ behaviors – 'Art nouveau’ in consumer research »

November 21st and 22nd, 2019
Nancy, France

Call for Extended Abstracts
Submission Deadline: June 14, 2019

Workshop Co-Chairs:
Abdelmajid Amine, Claas Christian Germelmann, Reinhard Grohs, Andrea Gröppel-Klein, Patricia Gurviez, Andrea Hemetsberger, Jean-Luc Herrmann, Hans Mühlbacher, Udo Wagner, Björn Walliser, Sylvia Von Wallpach

About the workshop:

The French-Austrian-German Workshop on Consumer Behavior intends to provide a platform for fruitful scientific exchange and networking between French and German-speaking researchers, and more widely with researchers from all around the world who are interested in consumer research.

The 2019 edition of the workshop focuses on "Influencing consumers’ behaviors: ‘Art Nouveau’ in consumer research". Contributions should revolve around latest theory development and empirical evidence regarding how marketing practices affect and resonate with consumers. To put it in the specific cultural and historical context of the hosting city, Nancy: "Art nouveau in consumer research".

We invite theoretical, empirical, and methodological papers. Research applying quantitative methods is as welcome as qualitative and mixed methods research.

Workshop language is English.

To encourage an intense scientific discussion, we will keep the workshop small (not more than about 60-70 participants) and allow plenty of time for the presentation and discussion of competitive papers (45 minutes).

To foster informal exchange and networking between researchers, we plan two guided tours followed by special dinners: the first will lead to the Robert Schuman's house in Scy-Chazelles and the historical city center of Metz. The dinner will take place in an authentic and prestigious setting in front of the "new" Protestant Church built between 1901 and 1905 when Metz was part of the German Empire. The second tour, to the historical heart of Nancy, will end with a banquet at a beautiful restaurant located right on the Stanislas square, a masterpiece of 18th century French architecture and part of Unesco's world heritage.

The welcome reception will take place at the Brasserie Excelsior in Nancy, one of the most beautiful remains of the “Ecole de Nancy”.

We invite you to submit extended abstracts following the submission procedure described below. We encourage you to submit your very best work: the copyright for the papers remains with the authors.

After the previous workshops in Saarbrücken, Innsbruck, Paris, Bayreuth, and Vienna, we are very much looking forward to welcoming you to Lorraine!

  Submission deadline for extended abstracts: June 14, 2019
  Notification of acceptance: September 3, 2019

We call for extended abstracts limited to 2,500 words (single-spaced, Times New Roman
12pt, 2.5 margins), plus a cover page, a short (100 words) abstract for inclusion in the
conference program, and full references. The body of the extended abstract should not
exceed 5 pages, including figures and tables. Submitted papers should be in English.

We suggest that the extended abstract provides a good overview of the research project,
including: research question, conceptual background, methodology, results, and
discussion of the findings.

The cover page should include the title of the paper, names and affiliations of each
author and complete contact information of the corresponding author (surface mail
address, e-mail address, and phone number); do not indicate authors’ names in the
paper beyond the cover page.

Please submit your paper to: 6thfag-workshop-depot@univ-lorraine.fr

Paper selection procedure:

of the authors attends the workshop and presents the paper. Due to the small number of
available slots for papers, please note that each participant should submit no more than
one paper as author or co-author.

Proceedings, Best Paper Award, and Publication Opportunities:
• Proceedings: The copyright for the papers remains with the authors.
• Best Paper Award: All accepted papers will be considered for a best paper award. The
  best paper award will be given to the paper recommended by the reviewers and
  selected by the Workshop Co-Chairs, based on its contribution to the field of consumer
  research, innovativeness, and rigor.
  
• Up to four top-rated papers of this workshop will have the opportunity to be revised
  for a “short track” submission to Marketing ZFP – Journal of Research and
  Management (Marketing ZFP JRM) which is the top Marketing Journal of the German
  speaking community (https://rsw.beck.de/zeitschriften/marketing)

Additionally, we strongly recommend the authors to submit a full version of their
accepted paper to one of the journals of the French Marketing Association (AFM): either
Recherche et Applications en Marketing (submission in English or French) or Décisions

to Recherche et Applications en Marketing or Décisions Marketing, a dedicated publishing
